STOP PRESS - Exciting News for Time Out 2024

We have just received confirmation about a brand new Christian Conference facility in Northamptonshire – set in stunning grounds, a beautiful old manor house, that has been fully restored to a very high specification to cater for Christian conferences.

The centre has some single rooms with economic supplements for when doubles may be used for single occupancy.

If we have 80 plus guests, we are able to take the whole facility for our own use, and therefore if you would be interested, perhaps you could share this news with friends in your fellowship, so that we can attain this level of occupancy and have full run of the facility.

We have conducted some initial research, and are investigating the possibility of holding a Time Out event - ideally in October - in this attractive new venue.

It would extend for 4 nights/5 days, ideally Monday to Friday, but this would be confirmed once we are able to gather all of the interest.

We have received many enquiries after the successes of our recent one day Family events, suggesting that if we could find another venue, then there would be considerable interest in a longer residential experience – rather similar to all that we enjoyed in our Paignton and Bournemouth locations.

The event would obviously feature Bible ministry, Flame news and encouragement, plus the opportunity to enjoy relaxation and refreshment.

However, these events do require a considerable investment of time and research, and the purpose of this quick note is to ascertain whether there is still a desire for Flame to reinstate this style of retreat.

We would really love to hear from you – as quickly as possible – as to whether this is something you would be supportive of, before we proceed with more definite arrangements. Please use any of the contact details overleaf.

We look forward to hearing from you soon.

Dave
